

Lewis Energy Group®

June 14, 2017

All Managers:

The Lewis Energy Group Procurement Department is placing following vendor on the do not use list until further notification:

EXTERRAN ENERGY SOLUTIONS, LP (008494) DO NOT USE

Refrain from any further purchases of material or services with this vendor, until formal notification by the procurement department.

The Procurement Department will maintain this notification and any subsequent updates at the Procurement Portal under the Notices tab.

If you have any specific questions concerning this vendor, please contact the Procurement department.

Sincerely,

Mark Escobedo
Manager, Contracts & Procurement
